LABORATORY, in **DEANSGATE**,

THE Universal BALSAMICK TINCTURE; being a *Chymical Preparation*, of such extraordinary Virtue, that it has not it's like in the World.—— Let a fresh Wound be ever so dangerous, a few Drops being dropt into the Wound or Puncture, or otherwise applied thereupon, as with a Tent, Lint or Leather, and so bound up and not stir'd for Twenty four Hours Time, it cures at four or five Times dressing, sometimes at two or three: Some Drops of it applied with Lint will immediately stop Blood without any further Trouble, in a surprising Manner: Experiments have been made of it in several Kinds, by Persons who have been wounded desperately and taken up for Dead; and who, by this **MIRACULOUS BALSAM**, have been restored to Life again in a Quarter of an Hour's Time and perfectly cured. In any outward Pain, Swelling or Strain in any Joint or Part whatever, by anointing the Part grieved, it gives present Ease. It also cures the Rheumatism, if you rub the Limb where the Pain lies with it: Any inward crush, broken Rib, or spitting of Blood, by taking a Tea-Spoonful in a Glass of Water for five or six Days together, it perfectly cures.—— It gives present Ease in the most racking Fits of the Gravel, by taking 50 or 60 Drops in a Glass of White Wine or Birch Wine; It is also good for sore Eyes, six Drops being put into an Ounce of Fountain Water and the Eyes washed Morning and Evening. It entirely takes away all pimples in the Face.

 To prevent Counterfeits, no Bottle will be sold without the large printed Sheet, with the **CHYMIST's LABORATORY** at the Top, under which are these Words in a Scroll, **MADE BY T. HADFIELD, MANCHESTER**.—— In frosty Weather it is apt to go thick: In such Case, hold it in your Hands a few Minutes, or by the Air of the Fire, and it will be as clear as ever: Keep it well stop'd when not in Use, and it will be as good at seven Years End as the first Day.
